

## **ACEC-NL Engineering Excellence Awards**

### **Description:**

This award will be presented to the project team that best exemplifies excellence in their field.

### **Criteria:**

The project or assignment submitted shall have been completed during the 15-month period PRIOR to the date of submission (i.e. January 2024 – April 2025).

The projects submitted for the competition shall have been managed and largely completed in the NL office of the member firm.

Only members in good standing of ACEC-NL are eligible to receive awards.

Participants shall acknowledge all other team members involved including the owner, prime consultant(s), contractors etc.

An agreement to participate in the award program and permission to use project details, photographs, etc. must be obtained from the client/owner prior to the submission (this does not have to be included in the submission).

There is no limitation or restriction on project size.

If this project was part of a Joint Venture (JV) with a firm outside of Newfoundland and Labrador – the Newfoundland and Labrador firm must have been the designer of record for the project.

No additions or modifications to the entry are allowed after delivery.

### **Submission Format:**

Submissions for the 2025 ACEC-NL Engineering Excellence Awards can be completed here <https://www.surveymonkey.com/r/GKM2MBT> by end of day April 14, 2025.
